

## Digital Festival Centre Schöne Aussicht 2021

### HOUSE RULES

The digital festival centre at Schöne Aussicht 2021 shall be a place where we treat each other with respect. To facilitate this, the following rules apply and everyone entering the festival centre agrees upon respecting them:

1. Respectful, appreciative and polite communication - even in arguments.
2. Discrimination and hate speech, or sexist, racist, xenophobic, homo-, queer-or transphobic and anti-constitutional acts and views, statements and symbols, are not permitted and will not be tolerated in any way. A violation can lead to an exclusion from the event.
3. Tell us about yourself only on aspects you want to share. Even if someone asks you, you don't have to tell anyone your phone number, address, or other personal information.
4. Personal rights also apply in the virtual space. Screenshots of people are photographs. If you want to capture a moment, ask the people who would be in the picture beforehand.
5. Have you experienced or observed harassment or discrimination? Please notify us at: [festival@jes-stuttgart.de](mailto:festival@jes-stuttgart.de) // 0711-21848016. We will be there for you.
