BRIGHT-TOGETHER HOUSE RULES

Schöne Aussicht Festival shall be a place where we treat each other with respect. To facilitate this, the following rules apply:

We want to be a festival where everyone can feel welcome.

We are looking forward to exchange, dialogue and arguments about our artistic work and what we experience.

We want the arguments to be fair and non-discriminatory.

Personal insults, discrimination and hate speech, sexist, ableistic, racist, xenophobic, homo-, queer- or transphobic or anti-constitutional acts and views, statements and symbols, are not permitted and will not be tolerated in any way.

Everyone buying a ticket and attending the festival agrees upon respecting them.
